**DIPLOMACY: BETWEEN TRADITION AND INNOVATION**

Are you coming to the Digital Diplomacy Day?

How does the Internet affect diplomacy? How to protect cybersecurity and online human rights? How to support digital development? How to use big data and social media in diplomatic activities? And much more, including practical presentations....

On 21 October. It will start with a **Digital Diplomacy Lab** (10.00-12.00), where you can learn about practicalities of digital diplomacy.

Yes, he can best join for the **Lunch Panel** (12.30-13.30) on the broader impact of the Internet on diplomacy, including cyber geopolitics, Internet policy, and digital public diplomacy.

Come and ask all your questions at the **Digital Diplomacy Clinic** (14.30-15.30).

What it is all about?

Sounds great!  
When will it take place?

Amazing. My ambassador is  
interested in digital diplomacy.  
Can he join as well?

That's it? Where do I go with  
all my specific questions?

Where it will be held?

How can I register?
